

My dear Miss Davies!

I am quite sorry to hear
that you want to play in Germany
in November, because I will
be travelling all that month
in the south of Germany and
in Switzerland! I have been
to see Mr. Wolff, who promi-
sed to write to you ; but I am
afraid that all the engagements
for the beginning of the season
will all have been made long
ago – you ought to have made
up your mind much earlier.
The chances of a concert too
even for you and Miss Riza
[page break]

are to be considered with great
caution, as Bülow's concerts
(under Wolff's management)
almost monopolize the public
and October is hardly to be called
a good month for concertgivers
many people being still absent
etc. etc. However Mr. [name unidentified]†
will write to you, and if I can
be of any use to you, I hope

to hear about it. I wish
I could be in Baden on Friday!
It was so nice two years ago
with dear Mme. Schumann,
and Brahms concerto!
My trip to Scotland was a

great success ; splendid weather
and magnificent scenery,
and I mean to repeat it soon.
How nice that you are coming
with Piatti and me in spring,
although it is no consolation
for my missing you in Germany.
With kindest greetings to
Miss Grist, my dear Miss Davies.
Yours
most faithfully
Joseph Joachim
